

**Curriculum Area: Health and Social Care Year: 11
2015/2016**

Topics	Year Curriculum	How you can support learning at home, eg. Books, websites, family learning through visits.
Unit 2 – Health and Social Care Values	<p>What is good practice in health and social care? What ensures that good practice is applied to support individuals who use health and social care services? Health and social care values underpin good practice within the sector.</p> <p>Your child will explore the care values that underpin current practice in health and social care and investigate ways of empowering individuals who use health and social care services.</p>	<p>Information on health and social care services can be found at http://www.nhs.uk/NHSEngland/thenhs/about/Pages/nhscoreprinciples.aspx</p>
Unit 5 – Promoting Health and Well-being	<p>How can we improve the health and well-being of the nation? What are the benefits of doing so? Health promotion is the area of health that raises awareness of these issues, and educates people on how to be healthy.</p> <p>Your child will explore the purpose, types and benefits of health promotion and investigate how health risks can be addressed through health promotion.</p>	<p>Information to support work on this unit can be found at the following: http://www.england.nhs.uk/ourwork/forward-view/sop/red-prem-mort/php/ https://campaigns.dh.gov.uk/</p>
